Queen of the Seas, King of the Mountain, all of the simple, marvelous pleasures of the summer now open before us. We are rich in fortune to live on the edge of one of the most beautiful bays on the north-east coast. All of its sights are there for our eyes to feast upon, changing every minute according to the velocity of the air, the angle of the sun and the move-ment of cloud. Whoever lives on the shore and can claim to be bored has no taste for the spectacular. The world is our oyster in the season ahead.

Mattapoisett Town Meeting

MAY 4 and 6, 1991

May 4 at Old Rochester Regional High School auditorium was the first Saturday for an annual town meeting and it will be the last for the foreseeable future, as the voters on the second day (Monday, May 6 evening) passed Moderator R. William Blasdale's article to return the annual meetings to the third Monday in May.

An experiment recommended by the Board of Selectmen in an attempt to bring out more voters brought out 170 on Saturday and 143 on Monday, when the 38 article warrant was completed. Town Clerk Lois K. Ennis said the 170 was about one-half the usual turnout in previous years.

Before the six-hour Saturday session was over, voters had approved an $8,105.426.03 total operating budget on a first vote as a "bare bones" budget within Proposition 2½. On a second vote, including the operational overrides and Enterprise Funds, an $8,564,983,26 total budget was passed, but not unanimously.

On Saturday voters approved $459,956.73 as a town government operational Proposition 2½ permanent override, less than initially requested, which will be placed on the ballot for the June 4 special election. Itemized separately on the ballot will be: town hall, $6,400; Print/mail town reports, $9,000; elementary schools, $95,828.25; Old Rochester Regional High School, $182,542.03; tarring streets/roads, $49,675; collection of rubbish,

hand vote of 52 to 50.

Funds were voted transferred from the Stabilization Fund for changing the heating system at Old Hammondtown School from electric to oil, as a money saving project, at a cost of $20,900. It had been recommended as a debt exclusion override; however, selectmen, finance committee members and school committee members agreed rather than chancing an election override the transfer would assure having the needed work done. Also transferred from the Stabilization Fund was $5,500 for the Fire Department to purchase and install a replacement electric generator at the fire station. A two-thirds vote was needed to take funds from the Stabilization account. Town Accountant Joseph A. Bolton said the Stabilization Fund had $128,000 as of July 1, 1990, but has gained interest since that date.

Other transfers include: $500. for Surplus Revenue to pay for a work-related disability insurance policy for members of the call fire department and for reserve police officers; $20,000 transferred from the Water Enterprise Fund to defray the cost of replacing the pump at Number 3 pumping station; and two transfers from 1988 town meeting Water Department articles for replacing water pipes, $10,400 and $11,822.88.

An article was defeated for $5,000 for a conference table and 20 chairs for a refurbished selectmen's office. Selectman Daniel O. Mahoney explained plans are to move the two secretaries in the office to what is now the treasurer's office to make for an expanded public meeting room. (At Tuesday's selectmen's meeting Richard E. Chase popped in to jokingly offer selectmen a linoleum-covered plywood on two sawhorses

Five articles were withdrawn, for various reasons. They include three articles for water main and pipe replacement on Parker Street, a portion of Pearl Street and Snowfield Street by Water/Sewer Superintendent William T. Nicholson. The funds, if the article remained, would have come from the Water Enterprise Fund; however, the superintendent felt Barlow Lane and Brookside Drive (two other articles) were more in need of replacement because of a slight TCE reading. The other roads will be done at a later date, he said.

Voters approved transferring $10,400. from the August 23, 1988 special town meeting for Barlow Lane and $11,823.88 from the May 3, 1988 annual town meeting for Brookside Drive. The superintendent explained taking funds from these old articles and doing much of the work with department employees will result in a saving to the town.

withdrawn by the assessors, without prejudice, was its request for $70,000 for fiscal 1992 to do the first year of a $140,000 two-year state mandated revaluation. Assessor Chairman Harvey Blanchette said "we are asking for the withdrawal until we know the tax rate and valuation. We will return at a later date at a special town meeting with another request."

At the recommendation of the finance committee, the article to transfer $40,000 from Free Cash was indefinitely postponed and will be recommended at a later date. The article seeking funds for state aid to highways was postponed until the next special town meeting when the town's financial situation will be known, said Finance Committee Chairman Robert Banz.

At the opening of the Saturday session, Mr. Banz apologized for the late warrant. "With the latest results of the state's financial situation, we needed to modify the budget. The hand-out data was printed just yesterday (Friday) with the new data. This was a dynamic process; all involved (town hall personnel) are to congratulated and thanked for their efforts."

A motion by former town counsel Donald J. Fleming to increase Town Clerk Lois K.

Two of the withdrawn articles concern the assessors' office. One article, recommended by the finance committee and withdrawn by the selectmen, was to transfer $12,000 from the Stabilization Fund to purchase a computer system; the second article,

Ennis' salary to $35,000 (from $28,585 voted) and take the monies from the Stabilization Fund was defeated. He claimed there was an injustice done and the Finance Committee should have seen this and recommended the increase. The motion failed 49 yes and 79 no. Selectman Mahoney said, "I feel the Stabilization Fund should not be used for non-capital items."

A motion made on Saturday by Bradford Hathaway to reduce the fixed salaries of elected officials (except the tree warden) by 2½ percent was defeated. "We could save $15,000 and apply the money to something more important; people don't need the money to stay afloat." Selectman Mahoney said he understood Mr. Hathaway's agony on the proposed assessments and tax rate, but felt he was including elected officials' modest amounts with full time people.

Moderator Blasdale and Selectmen Chairman John DeCosta thanked all who took part in the democratic process and urged those present to get the word out that these two days of town meeting won't be a fruitless exercise; become knowledgeable on the issues and get out and vote on June 4th. A round of applause was given to the Finance Committee for their dedicated work, at the motion of Planning Board Chairman

SEMASS Legal Concerns

MATTAPOISETT SELECTMEN'S MEETING
MAY 7, 1991-by VIRGINIA MORGAN

Selectmen last Tuesday met with members of the Board of Health to discuss the SEMASS contract with the town that is currently in litigation regarding the protested tonnage fee.

Selectman Daniel O. Mahoney reported that Special Counsel Thomas Crotty gave his opinion, "We should pay the undisputed charge because if we decline to pay and the judgement determines we should have paid, we will have a problem. We don't want to take the chance the court could find us in default", said Mr. Mahoney. "But, we are still protesting", he added. It is in the contract that SEMASS will have to return any overpayment the court decrees.

Mr. Mahoney said the board will contact Attorney Crotty that "we (the selectmen and

board of health) are in accord to make the 90 percent payment, but we will protest." Six towns are in a joint court case (Westport, Wellfleet, Middleboro, Acushnet, Fairhaven and Mattapoisett).

On another matter with the health board, selectmen suggested its members apply for a permit to accept sludge in the town's sanitary landfill. This could save the town money. Health Board Chairman John Bowman said "we have no problem taking sludge from our own town's septic wastes."

Selectman Mahoney recommended Health Agent Dale Barrows contact Tighe and Bond Engineer Ron Michalski to look into costs of disposal, to analyze the amount of the town's septic sewage and obtain his assistance in getting a state permit. "We contribute about 60 percent of septic waste to Fairhaven for treatment before dumping it as sludge," added Mr. Mahoney.

In other business, Selectmen:

VOTED TO PLACE 15 articles on the ballot for the June 4 override election -- eight separate permanent override questions on the town's operating budget, for a total of $459,956.73, about 83 cents per thousand on last year's $10.30 tax rate; and seven separate questions for debt exclusions overrides, a temporary increase, totaling $309,006.

WERE NOTIFIED by the state Department of Environmental Affairs that its project to map the wetland boundaries of the town with field verification will not be started this

Mr. Wallace Kido, General Manager/Postmaster of the Providence, RI Division, was the guest speaker. Mr. Kido said, "Susan earned the Mattapoisett Postmaster position through the procedurally correct merit selection process. Bedford, followed by a supervisor of postal operations in Westport. "You deserve the best in your community; Susan is the best."

A fellow worker in Westport, Bonnie Burns, who is now Postmaster in North Attleboro, related a few personal observations, saying that she values Sue as a friend and colleague and spoke of her energy, loyalty and integrity.

Giving the oath of office was William Mason, Director of Field Operations, Providence Division. He said Susan is being recognized now as a fulfillment of her aspirations.

Ms. Boyer said she was appointed to Mattapoisett as Postmaster last September, but began her duties in February. As Postmaster, Ms. Boyer presented Mattapoisett Board of Selectmen Chairman John N. DeCosta with a first day commemorative stamp of the "Mayflower - 1620" in recognition of the occasion. Chairman DeCosta said the Board of Selectmen will be available to the Postmaster at any time, if needed.

Master of Ceremonies was Dorrie Algina, supervisor at Fairhaven Post Office; conducting the Pledge of Allegiance to the Flag was Claire M. Boulay. Greg Pazurcher, Massachusetts state steward of the National Rural Letter Carriers Union, spoke briefly and congratulated Ms. Boyer.

The Rev. Barry W. Wall, pastor of St. Anthony's Church, gave the Invocation and Benediction. Flowers were presented by Joann Mello of the Mattapoisett Post Office, with refreshments served by fellow workers.

Tri-Town Men's Fellowship

Mr. Clifford Tuttle, chairman and president of Aerovox Corporation, a world-recognized manufacturer of capacitors, will address the May breakfast meeting of the Tri-Town Men's Fellowship at 9:00 a.m. on Sunday, May 19th, following the breakfast at 8:30 a.m.

In his talk, to take place at St. Gabriel's Parish Hall at the corner of Front and South Streets in Marion, Mr. Tuttle will outline the effects of the very high costs of the region on the local manufacturing base. Over the next ten years most of the region's manufacturing jobs will go elsewhere, driven by cost and technology, says Mr. Tuttle, and the remaining service business will not be enough to prevent an overall contraction of the local economy.

The public is invited to attend. Doors open for coffee at 8:15 a.m. A donation to cover the cost of the breakfast will be collected.

The Rochester Historical Society will meet on Wednesday, May 15th, at the North Rochester Congregational Church, North Avenue, Rochester at 7 p.m. A slide presentation is planned featuring slides of the Rochester "300" and Christmas in Mattapoisett Village. Guests are welcome.

SUMMER DOCENTS

Would you like to spend an afternoon at the Museum and Carriage House? Have you always wanted to see what's inside this building? Have you always wanted to have more time to look at exhibits? Would you like to share your knowledge and enthusiasm about the history of our town with others? Well then, do we have an opportunity for you!

We are beginning our recruitment of people to serve as docents at the Museum this summer. The Museum is open Tuesday through Saturday afternoons, 1:00 to 4:30 and we need at least two people on hand every day. You need not be a member of the Historical Society to be a docent (of course, we hope you will become one after you've had a chance to be part of us).

Docents do receive training prior to the opening of the Museum. As a docent you act as host of the Museum, greeting visitors and sharing with them some of Mattapoisett's past.

If you are interested in being a docent this summer please call either Bette Roberts at 758-2844 or Phyllis Ryan, 758-4703.

ORRJHS Survival Program

The fabled SURVIVAL PROGRAM, an integral part of the Old Rochester Regional Junior High School Health-Science Curriculum in Grades 7, is scheduled to occur from Sunday, June 9th to Saturday, June 15th.

The week-long outdoor experience has a rich, twenty-year history, tracing back to its originators, Jim Hubbard and Carleton Vaughan. Jeff Rodman, the current leader, has estimated that more than eighteen hundred grade 7 "Survivors" have participated in the program since its inception.

Among those numbers, we suspect, there are many who have not continued to use equipment purchased for the wilderness expedition. Backpacks, cooking utensils, and other related camping equipment are actively being sought by our Survival Advisory Committee to ensure that all of our young people who wish to participate in the program will have the means to do so. If it is possible for you to donate or loan such equipment to our Survival equipment pool, we would appreciate hearing from you. Simply call Jeff Rodman or Bob Gardner at 758-4928.

Information regarding our 1991 Survival Expedition will be presented at the annual Survival Presentation meeting Wednesday evening, May 15th, from 7 to 8:30 p.m. Parents of participating students plus adult friends of the program are encouraged to

ORRJHS Benefit Walk-a-thon

WALK-A-THON BENEFIT '91

On Saturday, May 18th, students from Old Rochester Regional Junior High School will be participating in a ten mile walk-a-thon to benefit people who are currently facing physical challenges. The students are trying to raise $4,000. A total of $1,000 has been raised so far through a talent show which was held in March.

The money raised will benefit three area people - Silas Norcross, an eleven year old boy who attends the Kennedy-Donovan School in New Bedford. Silas has difficulty communicating due to cerebral palsy. Part of the money will go towards purchasing a light talker for Silas, a computer which will facilitate his communication skills. The students will also be helping Ben Lyons, a four year old boy who attends Project Grow at the Sippican School in Marion. Ben has cerebral palsy and is continually in need of new equipment or adjusting of old equipment to fit

Veterans' Up-Date

MEMORIAL DAY - LET US NOT FORGET

Memorial Day is fast approaching. Let us show our gratitude by participating with a show at our local celebration and by flying our flag.

For all the sacrifices they have given to us and our country it is up to us to give meaning to their sacrifice. This is a day to give thanks to the veterans of all wars. Many gave their lives so that the rest of us can live in a free world. Remember them in your prayers.

VETERANS' OFFICE NEW HOURS

The Veterans' Office in Mattapoisett will change the hours that it will be open to the public. The new hours will be: Monday, Wednesday and Friday, 8:30 to 12:00 noon; Tuesday and Thursday, 1:00 to 4:00 p.m. We hope these hours will assist those who may have doctors' appointments in the mornings and can not come in at those times.

As all your trash mounts please remember Recycling Counts!

If the number on the plastic is 1, 2 or 6 we'll let the recyclers do their tricks.

Give us your glass, your aluminum, your tins. Just be sure to put'em in the right bins.

If your newspapers are fit to be tied, on May 18th bring 'em for a ride.

In front of the old A&P, help us all to save a tree.

Before you throw that thing away, think, "Can I recycle this another day?"

Globe Theater Troupe

PRESENTS ALL MY SONS

The Globe Theater Troupe, Inc. is happy to announce that it is reducing its prices for its spring production of Arthur Miller's American classic All My Sons. When the play opens on Friday, May 24th, at the Rochester Woman's Club on Route 105, the new ticket prices will be $5.00 for the general public and $3.00 for senior citizens and students. These prices will remain the same for every performance, the dates being Friday, Saturday and Sunday, May 24th, 25th, 26th and the following weekend, May 31st, and June 1st and 2nd. All curtain times are at 8 p.m.

All My Sons, long heralded as one of Miller's greatest works, was the winner of the famed Drama Critics' Award for the best new American Play in 1947. The play remains timely with its theme of greed and betrayal in post war America.

The Troupe has long considered lowering its prices due to these hard economic times. With prices that compete with the movies it is hoped that young people and senior citizens will consider live theater as a pleasant way to spend an evening.

Also taken into consideration was, with the closing of the Gateway Playhouse, these lower rates may enable Wareham residents to travel more readily to Rochester for the Spring and Summer productions.

For information and reservations call 291-0865 or 295-5053.

Some proceeds will benefit the Gateway Playhouse Restoration.

Tap Dancing Ladies

TO PERFORM SUNDAY, MAY 19

by Virginia Morgan

The tap dancing ladies of Mattapoisett will perform at a recital at 5 p.m. Sunday, May 19th, at the Marion Art Center, 80 Pleasant Street.

After seven months of practice with dance instructor Kay Hanley Alden, Kathy Briggs, Carol Adams, Christie DeCosta, Melody Mills, Joan Louden-Black, Marlene Goddu and Lorry Renaut are looking forward to their second public performance. Most recently, the ladies performed at the Jewish Convalescent Home in New Bedford.

Catching the ladies at one of their weekly rehearsals, they were tap, tapping down the stairs to Kay's dance studio at her home in Mattapoisett. The ladies proceeded to do warm-ups by stretching and tapping in unison at

The variety of dance music ranges from "76 Trombones", "In the Mood", "The Charleston", and "Chorus Line" to a soft shoe step to "Shine on Harvest Moon".

Kay Hanley Alden, dance instructor and choreographer for many years, has taught locally, in Europe and Asia, and at the Boston Conservatory. She studied at Sadler's Wells Ballet in London and at the university of dance at Jacob's Pillow. More recently she has been involved with inner-city children through a Horace Mann Dance Grant, teaching music and fine arts appreciation. She also teaches third grade at the Hayden-McFadden School in New Bedford.

The ladies come from a variety of work-day positions -- three work at Mattapoisett Town Hall: Carol J. Adams, selectmen's executive secretary; Kathleen F. Briggs, town treasurer/tax collector, and Melody A. Mills, secretary to selectmen; and Joan Louden-Black, social services administrator; Lorry Renaut, owner of Custom Brokerage House in New Bedford; Marlene Goddu, owner/chef Mattapoisett Inn; and Christie DeCosta, hairstylist.

The tap dancing ladies have been practicing weekly since they decided to take tap lessons, realizing tap is a beneficial form of aerobics and also fun. "For some it brings back

The clinic will consist of 12 hours of group instruction. Each group will be limited to 12 players to insure maximum instruction time.

According to present plans, beginners will be scheduled at either 8:00 or 9:00 o'clock depending on age. The following two time slots, 10:00 and 11:00, will be reserved for advanced beginners and low intermediates respectively. The final period 12:00 to 1:00 will be for the intermediate players.

"We will try to maintain the greatest amount of scheduling flexibility to meet the needs of the students", explained Director Bob Hohne. "Hopefully we'll be able to schedule according to age as well as ability and wherever possible according to summer plans."

The cost of the program will be $60. per player and is open to the public.

For registration or questions about the program contact Clinic Director Bob Hohne at 758-9081.

created by award-winning Acushnet carver Edward Macomber, under a grant from the Acushnet Arts Lottery Council. It depicts the scene at the Parting-of-the-Ways in 1903, when the 1874 Parting Ways School's renovation and expansion had just been completed and its neighbor, the Acushnet Friends Meetinghouse, was still standing (the Fire Station occupies the site today). The sign's subject, the Parting-of-the-Ways Green, with its attractive gazebo, will be dedicated next year.

Delta Kappa Gamma Anniversary

Mass. Maritime Academy

HONORED ON NATIONAL MARITIME DAY

Jeremy Malcolm of Mattapoisett is one of the several Massachusetts Maritime Academy junior class cadets to receive Merchant Marine Expeditionary awards, the official Persian Gulf medal. The awards will be presented during a National Maritime Day ceremony on Wednesday, May 22nd. These cadets will be recognized for volunteering to work on commercial ships in support of Operation Desert Storm.

The day's events begin at noon with the first ever National Maritime Day parade, which will travel from the Bourne Rotary down Main Street to the Massachusetts Maritime Academy. Lieutenant Governor Paul Celluci will lead the procession which includes a contingent of sailors from the U.S. Navy Fast Frigate U.S.S. Thomas Hart, local elected officials, Marine troops, Massachusetts Maritime Academy cadets, high school marching bands, and local police and fire departments. The parade will also feature a Patriot missile manufactured by Raytheon, which is identical to those used to intercept Iraqi scud missiles during Desert Storm.

The ceremony at the Merchant Marine Memorial, located at Massachusetts Maritime Academy, will pay tribute to merchant mariners who died in the line of duty, as well as to those who volunteered to serve in the Gulf aboard commercial ships.

Other events include tours of the Academy's Patriot State training ship from 11 a.m. to 5 p.m. and tours of the U.S. Navy destroyer U.S.S. Thomas Hart which was involved in dozens of boardings in the Persian Gulf , from 2 to 5 p.m.

Participants will learn how to identify the various constellations, such as the Big Dipper, Leo and Scorpio, various planets and other celestial wonders.

At this time of year there are many first magnitude (the brightest) stars in the sky at once which will make observing the constellations more than just star-gazing. Weather cooperating, the "Spring Skies" walk will unquestionably shed light on the dark time of day.

For more information and registration for this fun and educational guided nature walk, contact the Lloyd Center at 990-0505 or stop by 430 Potomska Road in South Dartmouth, 9 a.m. to 5 p.m. Tuesday through Sunday and Monday holidays.

Nature Photography

The Lloyd Center for Environmental Studies is offering a minicourse on Nature Photography Friday, May 31st, through Sunday, June 2nd. The minicourse, presented by professional nature photographer Irene Hinke Sacilotto, is designed for the student with basic knowledge of the operation of a 35 mm, single lens, reflex camera who desires to improve his/her skills in areas of landscape, wildlife and close-up photography. Techniques discussed include: stalking, baiting, and using photographic blinds in addition to backyard photography.

Lectures will be accompanied by slide presentations and equipment demonstration. Each day the class will spend time in the field photographing wildlife, land/seascapes and flowers. Individual attention will be customized to suit each participant's skill level.

Times are Friday, May 31st, 8 p.m. to 10 p.m.; Saturday, June 1st, sunrise to sunset and Sunday, June 2nd, 7 a.m. to 11 a.m. at the Lloyd Center. Fees are $150. for Lloyd Center members and $165.

Island Night 7

AN EVENING OF NEW ORLEANS BLUES

Experience the sights, sounds and tastes of New Orleans at the Zeiterion's Island Night 7 on Saturday, May 18th, at 8:00 p.m. sponsored by Coyne Textile Services. This year's annual fund-raiser concert and party will open with the blues of Bowling Green John Cephas and Harmonica Phil Wiggins, followed by two sets of the New Orleans foot-stomping music of Queen Ida and the Bon Temps Zydeco Band. WMVY-FM has provided promotional support for this concert.

So, pull out those Mardi Gras outfits along with straw hats and sandals, and get ready to party for a great cause. There'll be plenty of New Orleans food and refreshments -- and at evening's end everyone attending will receive a free Island Night poster (suitable for framing).

From Carnegie Hall to Tokyo, from "Saturday Night Live" to "Austin City Limits", Queen Ida and the Bon Temps Zydeco Band have performed their unique brand of music - a mixture of her accordion playing, her Bayou-French singing and the pulsating two-step rhythms of the band. A multi-

cultural music, zydeco music has been described as a mixture of Cajun French and African-American traditions with Hispanic, German, Appalachian and Caribbean influences. A product of the Creole communities of southwest Louisiana, Queen Ida's zydeco is a combination of Cajun waltzes, two-steps, polkas and marzurkas.

Bowling Green John Cephas and Phil Wiggins, the country blues brothers, have truly become ambassadors of the Blues. Through the U.S. State Department they have performed in Africa, South America and most recently, Russia, where they were with the first group of Americans to ever perform at the Russian National Folk Festival in Moscow. The duo has also performed in China, Italy, Australia and New Zealand. As a harmonica-guitar duo, Cephas and Wiggins have combined the African and European elements of the blues. They feel that the blues lyric is the poetry of the Afro-American experience.

Tickets for this New Orleans fund-raiser are $22.50; all seats reserved. Tickets are available at the Zeiterion Box Office at 994-2900, and are also available at all Ticketmaster locations or by calling Ticketmaster at (617) 931-2000.

For those who would like to meet Queen Ida in person to talk music or food, she will be at Baker Books on William Street in downtown New Bedford on the day of her show from 11:30 a.m. to 1:00 p.m. signing copies of her Cajun/Creole cookbook entitled "Cookin' with Queen Ida". If you're a lover of New Orleans food such as jambalaya, gumbo and red beans, don't miss this opportunity to learn the cooking secrets from an expert.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford. The theatre is wheelchair accessible, and there is plenty of free parking.

A Classic Tilley Hat

This very Tilley Hat was worn by David White, when he sailed around the world in the 1986 BOC Challenge. You can see that the 10-ounce cotton duck looks pretty "worn-in". The patina on the solid brass hardware was caused by the sea air – but the hat's still in one piece, and has years of wear left!

At the time the Tilley Hat was the best outdoor hat in the world, but not content to rest on our laurels, we've improved it – as we continue to improve everything we make.

It still floats on the water, ties on in the wind, repels rain and won't shrink. But here's some of the ways we've made it better:

- The ventilation grommets are higher so your hair won't block the holes
- A pocket inside the new crown holds closed-cell foam so the Hat will float better (the pocket can also hold a few bills or your I.D).
- The top of the crown has been sewn in a more elegant manner
- The washing instructions have been improved
- And we've added the colour Brown with the T3B!

The Tilley hat may not be perfect (nor is anything we make) but we're trying! So I can safely say, "This is the best outdoor hat in the world. If you can show me otherwise, I'll eat my hat!"
